SEQUENCE:	112

YOU'VE CHECKED-IN - WHAT NEXT?

HOLD BAGGAGE Simply head to a bag drop desk at the airport – check the airport screens to find out where they are. If your luggage allowance is more than 23kg, remember to split the weight between several bags. Reason being, the maximum weight for one piece of checked-in luggage is 23kg.

HAND BAGGAGE You can take one piece of hand luggage into the cabin with you. It can't be bigger than 55cm x 40cm x 20cm.

SPECIAL ASSISTANCE If you need special assistance and haven't already told us or your tour operator, you'll need to arrange it with us at least 48 hours before you fly.

ON TIME DEPARTURE The bag drop desks are open at least 2 hours before your plane is due to take off, and close 45 minutes before your flight. Remember, you must be at the boarding gate at least 30 minutes before the plane leaves.

PHOTO ID Passengers must have a valid piece of ID with a photograph – an international passport or EU national ID. EU national IDs must be valid in the country you're going to.

LIQUIDS IN HAND BAGGAGE There are restrictions on the amount of liquids you can have in your hand luggage. Containers must hold no more than 100ml each and be placed in a single, transparent, re-sealable plastic bag. The bag can hold no more than a litre and measure approximately 20cm x 20cm. You can only take one plastic bag per person.
